About All Terrain Landscaping

Our mission is to help you look great.

All Terrain Landscaping began with a simple sprinkler job for a family friend. After earning multiple degrees, we launched the company, focusing on hand-dug ponds and sprinklers. Our first company vehicle was an '84 Mustang. The business grew quickly, and soon we were full-time landscapers. With a strong work ethic and a dedicated team, we became the largest lawn service and snow removal company in Greeley, eventually expanding into Fort Collins, Boulder, and beyond.

View Our Work

Installation of drains on both side of house to include:

- Installation of sewer and drain pipe
- Connecting to existing sump pump line
- Installation of catch basins on both sides
- Connecting 6 downspout drains

- All irrigation work will be billed on a time and material rate of \$95.00 per man hour plus materials
